City of El Cajon Agenda Report

MEETING: Feb. 13, 2018

ITEM NO: 1.4

TO: Mayor Wells, Mayor Pro Tem Kendrick,
Councilmembers Goble, Kalasho and McClellan

FROM: Dirk Epperson, Director of Public Works

SUBJECT: Approval of Plans and Specifications for Street Resurfacing/Pavement Preservation 2018, Job No. PW 3622, Bid No. 029-18

RECOMMENDATION: That the City Council adopts the next RESOLUTIONS in order to:

1. Approve Plans and Specifications for Street Resurfacing Pavement Preservation 2018, PW3622, Bid Number 029-18; and
2. Direct a Notice Inviting Sealed Bids to be opened on March 15, 2018.

BACKGROUND: This project will seal approximately five (5) miles of streets Citywide with Type II Rubber Polymer Modified Slurry to maintain the conditions of the various streets within the project locations (see Exhibit A) and preserve the street surface life expectancy. The streets on this project were selected based on existing pavement condition with the purpose of sealing the asphalt, filling minor cracks, and restoring skid resistance and aesthetic appeal. Application of a slurry seal provides a thin wearing course surface thereby extending the life of the asphalt.

This work is in addition to the annual major asphalt overlay project currently under design that the City does each year with TransNet and Road Maintenance and Rehabilitation Account Funds.

ENVIRONMENTAL IMPACT: The proposed Street Resurfacing Pavement Preservation 2018 project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) according to Section 15301 (Class 1) (c) of the CEQA Guidelines. Section 15301 provides an exemption for the maintenance of public facilities.

FISCAL IMPACT: The project funding allocation is included in the proposed Fiscal Year 2017-2018 budget. The Engineer's estimate for this work is \$290,000 with all funding coming from TransNet funds.

City of El Cajon Agenda Report

MEETING: Feb. 13, 2018

ITEM NO: 1.5

TO: Mayor Wells, Mayor Pro Tem Kendrick,
Councilmembers Goble, Kalasho and McClellan

FROM: Nahid Razi, Purchasing Agent

SUBJECT: Award of Bid No. 026-18 – BMW Police Motorcycle

RECOMMENDATION: That the City Council adopts the next resolution in order awarding the bid to the sole responsive, responsible bidder, Powersports Unlimited, Inc., dba: BMW Motorcycles of Escondido, in the amount of \$26,767.86.

BACKGROUND: On June 27, 2017, the City Council approved the purchase of a replacement police motorcycle as part of the Fiscal Year 2017-2018 budget. Five prospective bidders obtained bid packages, and one response was received and opened at 2:00 p.m. on January 23, 2018. Of the five prospective bidders, two were BMW dealers. The Purchasing Division contacted the other BMW dealer that did not respond to the bid for an explanation. The dealer advised that they misunderstood the documentation requirements and therefore did not submit a complete bid package.

The City currently has five motorcycles in use by the El Cajon Police Department fleet. For over 12 years, the El Cajon Police Department has standardized the BMW R1200 RT-P motorcycle for its motorcycle fleet, which is the same make and model in use by other local law enforcement agencies in San Diego County. The BMW R1200 RT-P is equipped with features that make it one of the safest motorcycles in production. It is lighter, provides greater visibility, and is more maneuverable than other police motorcycles without any loss of engine performance. The motorcycle has an integral anti-lock braking system (ABS) that provides 20% better braking performance as compared to other motorcycles with ABS.

The bid specifications requested bidders to provide trade-in pricing for two 2006 BMW R1200 RT-P motorcycles (VINs: WB10388056ZM19358 and WB10388086ZM19354). These two motorcycles are currently nonoperational, require significant repairs, and are scheduled for retirement. The specifications also included police accessories such as a wireless communication kit and a ticket book holder.

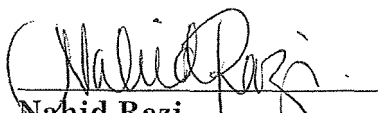

The Purchasing Division, in concurrence with the Chief of Police, recommends award of the bid to the sole responsive, responsible bidder, Powersports Unlimited, Inc., dba BMW Motorcycles of Escondido. The complete proposal is on file in the Purchasing Division.

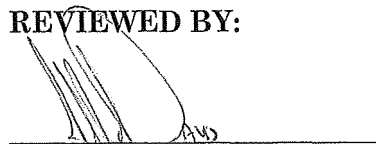

FISCAL IMPACT: The fiscal impact of this purchase is \$26,767.86. Sufficient funds are available in the Police Miscellaneous Grant Fund (225900) via the California Office of Traffic Safety (OTS) Grant.

MEETING: 02/13/18

ITEM NO: 1.6

TO: Mayor Wells, Mayor Pro Tem Kendrick,
Councilmembers Goble, Kalasho and McClellan

FROM: Anthony Shute, Director of Community Development

SUBJECT: 1ST AMENDMENT TO FY 2017-18 ONE YEAR ACTION PLAN FOR
RE-ALLOCATION OF AVAILABLE CDBG FUNDS

RECOMMENDATION: That the City Council

- 1) Re-allocates \$76,000 in available unallocated Community Development Block Grant (CDBG) funds to Project PK3582/C0923 Stoney’s Neighborhood Park Improvements, and
- 2) Appropriates \$76,000 of CDBG funding to Parks Capital Improvement Project PK3582 Stoney’s Neighborhood Park Improvements

BACKGROUND

The U.S. Department of Housing and Urban Development (HUD) provides funding annually to eligible jurisdictions relative to CDBG programs through the One Year Action Plan process.

On April 26, 2016, the One Year Action Plan was adopted by the City Council for the FY 2016-17 program year, which included funds for the “Neighborhood Park Improvements” project in the amount of \$350,000. The park is located next to the Ronald Reagan Community Center and the County Library. Design and pre-construction work were initiated during that year and the park was renamed to Stoney’s Neighborhood Park. As design work and cost estimating progressed, staff determined that additional funds would be required to meet escalating construction and material costs.

On April 25, 2017, the One Year Action Plan was adopted by City Council for the FY 2017-18 program year. This Action Plan included an allocation of additional CDBG funds for the Stoney’s Neighborhood Park Improvements project in the amount of \$135,000 for landscape design and improvements that incorporates planting areas adjacent to Ronald Reagan Community Center. Total CDBG allocation amount for this project is currently \$485,000.

Additional CDBG funds are being requested for allocation to this project and will be used for enhanced park security features such as fencing and lighting (estimated at \$32,514), and a 10% construction contingency of the project’s base bid (\$434,867).

Available unallocated CDBG funds have been identified to fund this activity as follows:

Table 1. First Amendment to One-Year Action Plan			
CDBG Project #	Project	Funds Available	Proposed Re-allocations
--	CDBG Unallocated Funds	\$196,000	--
C0923	Stoney's Neighborhood Park Improvements (PK3582)		\$76,200
	TOTAL:	\$196,000	\$76,200

In accordance with the adopted Citizen Participation Plan for this grant funding source, a public hearing for this proposed amendment of the One Year Action Plan is not required since the total change in funding for the Stoney's Park Improvements project does not exceed 25% of the original allocation amount (\$350,000).

FISCAL IMPACT

There is no impact to the General Fund. This action increases the total CDBG appropriation for the Stoney's Neighborhood Park Improvements project PK3582 in the current fiscal year to \$561,000.

Agenda Report

MEETING: February 13, 2018

ITEM NO: 1.7

TO: Mayor Wells, Mayor Pro Tem Kendrick,
Councilmembers Goble, Kalasho and McClellan

FROM: Yazmin Arellano, Deputy Director of Public Works/City Engineer

SUBJECT: Approve Contract Change Order for PW3575 ADA Pedestrian Curb Ramp
and Sidewalks 2017 Project, Bid No. 018-18

RECOMMENDATION: That the City Council approves the Contract Change Order for PW3575 ADA Pedestrian Curb Ramp and Sidewalks 2017 Project, Bid No. 018-18, in the amount of \$60,603.50 for Crest Equipment, Inc., for construction and installation of ADA pedestrian curb ramps and related concrete surface improvements. The existing contract amount with Crest Equipment, Inc., is \$213,699.35, and the revised contract amount, if approved, would be \$274,302.85.

BACKGROUND: Project work is currently underway to install new curb ramps, sidewalks, and concrete surface improvements as planned for the Pedestrian Curb Ramp and Sidewalks 2017 Project. Unit bid prices received for the project were very competitive, resulting in lower than expected prices for curb ramps. Due to the lower unit prices, there will be funds remaining in the budget allocated for ADA curb ramps. The City has a future street overlay project which requires approximately 33 ADA compliant pedestrian curb ramps to be installed. Utilizing the unused TransNet and CDBG funds now at a lower cost is a better use of funds. This also allows more of the overlay funds to be spent on repaving and maintaining streets.

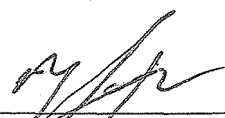

This proposed increase to the PW3575 ADA Pedestrian Curb Ramp and Sidewalks 2017 Project, Bid No. 018-18, will exceed twenty-five percent (25%) beyond the original contract amount of \$213,699.35. Council Policy B-4, "Contract Change Orders" requires approval by Council if the proposed contract price change exceeds the twenty-five percent (25%) threshold.

FISCAL IMPACT: The increase in the PW3575 ADA Pedestrian Curb Ramp and Sidewalks 2017 Project, Bid No. 018-18, is \$60,603.50. Sufficient CDBG & TransNet funds are available in current Fiscal Year 2017-18 PW budget activity 550000-9065 PW3575 for this proposed Contract Change Order. The funding used will meet the ADA Upgrade Improvements requirement for CDBG funds and the Maintenance of Effort requirement for TransNet funds.

FROM: Frank Carson, Director of Recreation

SUBJECT: Community Event in the Right-of-Way – RunEC

RECOMMENDATION: That the City Council approve the use of the public right-of-way for the RunEC St. Patrick’s Day Half Marathon / 5K.

BACKGROUND: For the sixth consecutive year, RunEC Foundation is requesting the use of City rights-of-way for a special event in the community. RunEC, a non-profit association, strives to create a world-class running event to support East County community-based organizations. This year’s proceeds are designated for St. Madeleine Sophie’s Center. This racing event features a half marathon, 5K and a “Green Mile” race for children and adults with developmental disabilities. On December 12, 2017, the City Council authorized \$20,000 and City services to support the 2018 event.

The St. Patrick’s Day Half Marathon / 5k is scheduled to take place on Sunday, March 4, 2018, with race participant packet pick-up and set-up planned for Saturday, March 3, 2018. More than 10,000 people are expected for this year’s race and festivities. Race check-in, the sports vendor expo; children’s play area and cross fitness challenge course will be on March 4th, from 8:00 a.m. to 12:00 p.m., on Sulzfeld Way.

The 2017 RunEC event featured a beer garden on public property at the El Cajon Centennial Plaza. This year, the beer garden will be located on private property at the Downtown Café.

The race will begin near the El Cajon archway, travel east on Main Street to Jamacha Road, on to Cuyamaca College Drive, then return along the same route. In accordance with El Cajon Municipal Code Chapter 12.24, staff recommends the City Council approve the use of the public right-of-way for the proposed event because it provides a venue for community participation and creates community awareness for the City, which is in the public interest.

Traffic management has been approved by the City’s Traffic Engineer and will be coordinated with Public Works and Police staff to ensure a safe event. The effective movement of vehicles and pedestrians, to include Marriott construction, in and around the event will be assisted by Police without compromising service to the broader community.

California Environmental Quality Act (CEQA): The proposed project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) according to Section 15061 (b)(3) the General Rule, which states that California Environmental Quality Act (CEQA) applies only to projects which have the potential for causing a significant effect on the environment. The temporary use of the City's right-of-way for a community event and the detouring of other modes of transportation within City Streets will not have a significant effect on the environment.

FISCAL IMPACT: Funding (\$20,000) for RunEC was approved by City Council on December 12, 2017, and is designated in the Community Services and Events Budget (Activity #103000). Indirect staff costs for the race will be absorbed within the respective department budgets.

City of El Cajon Agenda Report

MEETING: Feb. 13, 2018

ITEM NO: 4.1

TO: Mayor Wells, Mayor Pro Tem Kendrick,
Councilmembers Goble, Kalasho and McClellan

FROM: Nahid Razi, Purchasing Agent

SUBJECT: Award of Bid No. 021-18, Sewer & Storm Drain Repair & Replacement
(WW3519)

RECOMMENDATION: That the City Council adopts the next resolution in order awarding the bid to the sole responsive, responsible bidder, Burtech Pipeline, Inc., in the amount of \$2,627,759.00 for the base bid and Additive Alternate No. 3.

BACKGROUND: On October 10, 2017, the City Council approved the plans and specifications for the repair and/or replacement of corrugated metal storm drain pipes, vitrified clay pipes, and junction structures throughout City limits. One response was received and opened at 2:00 p.m. on January 16, 2018. The Purchasing Division contacted various general contractors that had downloaded the bid package to inquire as to why they did not respond to the bid. The majority of those contacted stated that they had full schedules and could not accommodate this project. Other contractors stated that the scope of lining work was outside of their realm of services.

The California Public Contract Code allows the City to specify which award method will be utilized to determine the lowest bid. In accordance with Addendum No. 3 to the bid specifications, the lowest bid shall be determined by the lowest base bid plus the sum of additive alternates. This language does not preclude the City from adding or deducting any additive items after the lowest responsible bidder has been determined. After examining the bid, Additive Alternate No. 3 (Grape Street Easement Storm Drain) shall be included in the award.

The Purchasing Division, in concurrence with the Director of Public Works, recommends award of the bid to the sole responsive, responsible bidder, Burtech Pipeline, Inc., in the amount of \$2,627,759.00 (base bid of \$2,553,146.00 and Additive Alternate No. 3 of \$74,613.00). The summary of the bid is attached and the complete proposal is on file in the Purchasing Division.

FISCAL IMPACT: The fiscal impact of this project is \$2,627,759.00. Sufficient funds are available for this project in the City Wastewater Program Fund (WW3519).

FROM: Councilmember Kalasho

SUBJECT: Proclamation Honoring the El Cajon Police Department

RECOMMENDATION: That the City Council place on its next agenda a proclamation honoring our Police Department for its outstanding service to this community.

BACKGROUND: In reflecting on the local, national and international coverage by a multitude of media outlets and social media(s) regarding the Urgency Food Sharing Ordinance, I believe that as a City Council, we should show our commitment to those men/women from the El Cajon Police Department who have had to deal with the ridiculousness of misleading headlines, editorial hit pieces and prejudicial attacks on their integrity. I know this is a part of their job, unfortunately, it's the world we live in. However, as I watched video after video of their commitment from that day, their dialogue as compared to the bad behavior and demeanor of the violators, I was proud of their steadiness and acumen.

I recommend that the City Council place on its next agenda a proclamation honoring our Police Department for their outstanding service to this community.

City of El Cajon Agenda Report

MEETING: 2/13/18

ITEM NO: 10.2

TO: Mayor Wells, Mayor Pro Tem Kendrick,
Councilmembers Kalasho and McClellan

FROM: Councilmember Goble

SUBJECT: Enhancements to the City’s Effort Addressing Homelessness

RECOMMENDATION: That the City Council place on a future meeting agenda a discussion, and any relevant action, on the ways to make the public, including people experiencing homelessness, more aware of the help available to people who are homeless, including the City’s own efforts.

BACKGROUND:

Last June, 2017, the Council authorized strategies to help address homelessness in El Cajon. In August, 2017, the Council funded those strategies.

As the strategies have been implemented, the focus of promoted messages, including signage, has been to the potential donor, discouraging cash contributions directly to people experiencing homelessness and requesting those resources be redirected to organizations which provide supportive services to the homeless community.

The focus of less visible, less promoted messages has been on funding a Navigator, rapid rehousing rental assistance, providing reunification funds for The Salvation Army to administer, and more.

I believe now is a good time for “Phase II” of this program and reverse the messages. That is, I’m recommending 1) the promoted, visible messages, included signage, be changed to target individuals experiencing homeless with a positive message for who to call for help (vs “Don’t Support Panhandling”), and 2) the lesser or non-promoted messages on the City’s funding and knowledge of resources in the private sector be made more visible.

I recommend the Council place on the agenda at an upcoming meeting a discussion and possible action to City staff to examine ways to make the public more aware of the help available to those experiencing homeless, including the City’s efforts.

FISCAL IMPACT:

To be discussed.

FROM: Frank Carson, Director of Recreation

SUBJECT: Teen Coalition Status Report

RECOMMENDATION: That the City Council receives and files the information-only Teen Coalition status report.

BACKGROUND: “Engage, educate and empower” continue to be the goals for the City of El Cajon Teen Coalition. They are also provided opportunities to engage in community service.

Applications were actively circulated at El Cajon middle schools, high schools, recreation centers, libraries and local service organizations. Press releases were sent to local news media outlets and mass emails were sent to teens that were or have participated in the Recreation Department’s activities and/or instructional classes.
