## Have you optimized your service?

Property owners and managers, if you haven't optimized your service yet, please contact Patrick Osio, El Cajon Sustainability Coordinator, by email at [posio@edcodisposal.com](mailto:posio@edcodisposal.com) or by phone at (619) 287-5696 ext. 4119, to schedule a personal visit to help reduce your trash capacity needs.

## Free Special Events and Services

### Bulky Item Collection

If it's too heavy or too large to fit in your trash container, call us to schedule a FREE curbside bulky-item pickup (**must be scheduled through the property owner or manager**). Property owners or managers can schedule bulky-item pickup service for large items such as water heaters, appliances, furniture, televisions, etc. (please no Household Hazardous Waste). Construction material will NOT be collected. Four bulky item pickups per year can be scheduled, per unit of up to six items each collection (equivalent to 0.5 cubic yards per collection).

### Household Hazardous Waste (HHW) Drop-Off Collection Event

Once a year, EDCO will hold a FREE HHW drop-off collection event. Detailed information will be sent out prior to the event.
