Maxay Tahay Sababta aan u Samayneyno Tani Mar Kale iyo Dhakhso?

10 sanno kasta, dawladda federaalka waxay fullisaa tirokoob kaddibna Magaalo kasta waa in ay casriyeyso dagmooyinkeeda doorashada si ay u muujiso tirinta ugu dambaysay dadka

Magaalada El Cajon, oo adeegsaneyso Measure S, waxay u coddeysay in ay ka guurto cod bixinta balaaran una guurto siistemka doorashada dagmada sannadkii 2016. Khariidooyinka dagmada waxaa la sameyay 2017 iyadoo la isticmaalo tirinta dadka 2010. 2018 waxay ahayd doorashada kowaad ay dagmada dooratay xubnaha Guddiga Magaalada

Dhab ahaan, wax miyaa iska baddalay sida ay u samaysan yahiin dagmooyinka taasoo dhallisay in loo baahdo khariidad cusub?

Waxaa dhici karto in tirada la casriyeyay ee dadyowga in ay muujiyaan in dagmooyinka iminka jira aysan soo gelin miisaanka iyo in loo baahan yahay in Sharciga Khariidooyinka Xaqa California (California Fair Maps Act) abuuray hab cusub oo loo baahan yahay in la tixgeliyo.
