Hi David,

Thank you so much for reaching out and updating me on the City's website and timeline for hearings. It's great to hear the City decided to begin the sessions over the summer. We'll try to turn people out but wanted to flag it as short notice considering the previous communication with the City's office that the hearing process wouldn't begin until the release of census data. Nonetheless, we will gladly circulate this information and are excited to see the City beginning now!

Have a great week,

Jeanine

Hi Jeanine and Kiyana.

I hope you are both doing well. I wanted to keep you updated on the City of El Cajon's redistricting process. The City has retained a redistricting consultant, NDC. We have also launched a redistricting webpage at www.cityofelcajon.us/redistricting which features redistricting information in Spanish, Somali, and Arabic. Our first hearing is scheduled for July 14, at 6:30 p.m. at the Hillside Recreation Center here in El Cajon. We are finalizing the marketing materials for translation which I will share with you once they have been finalized.

Please feel free to share this information with any of your constituents who may be interested.

Thanks,

David Richards
