Hi David,

Thank you for forwarding on our letter. Please see attached PDF versions of our map.

Will you please forward our letter and maps to all City Council members?

Thank you, again, and see you later today.

My best,
Ramah

Thank you Ramah,

I will forward this letter to our City Clerk. Do you have a PDF export of the map that I can also provide to the City Council? I have received and forwarded the GIS Shape file to NDC but I don't know whether they will have it back to me ahead of tonight's meeting.

Thanks!

Dave

Good morning David,

I'm following up with a letter outlining the shapefile sent yesterday. We will be sending each City Council member a copy of the letter and a pdf of the map.

The letter summarizes our Community of Interest mapping and the several public testimonies our community members have delivered to previous redistricting hearings.

I look forward to seeing you later today.

Thank you!

My best,

Ramah
