Hi David,

Thank you so much for the updates. I would definitely appreciate being notified when the maps are released, and please let me know when you receive an update on the map release and whether you are allowing for public input during the meeting as well.

Hi Rami,

Thanks for the questions. I will have to check with NDC to see when they anticipate providing the City with draft maps. Once we receive the maps, I will strive to have them posted quickly. Would you like me to notify you once the maps are posted to the City's website?

Thanks and have a great afternoon.

Dave

Hello David,

I hope you're doing well. I see that the November 4th Redistricting Hearing will be a discussion and revision of the first draft maps for the City of El Cajon.

Will the November 4th hearing allow for public input on the release of the draft maps? Additionally, will the redistricting commission be releasing the draft maps at least 72 hours before the hearing so community members are able to process and assess the maps before the public hearing?

Thank you so much!
