Please let your members know that the cut off is at 12 p.m. The deadline was set so that we have time to comply with the FAIR MAPS Act. I don't want to leave anyone's maps out but I do need to hold firm on the submission deadline as we are required to have the maps posted online for seven days prior to our hearing.

Thanks!

No problem! We do not anticipate additional map submissions from our membership.

Sounds great, looking forward to it.

Thank you,

Thanks. I will let NDC know that this is a new map. Do you anticipate any additional map submissions from your membership? This map submission deadline is today at noon. At that time, I will be asking NDC to analyze all of the demographics so that we can post the maps in compliance with the FAIR MAPS Act.

Thanks Yasmeen. Is this the same map that the Majdal Center submitted earlier? I will forward to NDC either way so that they can provide the demographic breakdown. I hope to have these up on the website shortly.

Thanks again and see you next week.

Good morning David,

Happy New Year! I hope this email finds you well. My name is Yasmeen Obeid, and I am the Redistricting Fellow at Majdal: The Arab Community Center in El Cajon.

Please see attached the community mapping shape-file and PDF images of the Arab Community of Interest in El Cajon on behalf of the Majdal Center and Arabic-speaking community members. The points in red represent the physical locations of community members, community organizations, and religious centers.

We will submit a more detailed letter describing our COI and the description of the key points of our map next week.

We look forward to reviewing the draft maps and giving public input on January 22nd.

Thank you!

Best,
Yasmeen Obeid
