Hello,

My name is Mary Anthony and I have been a resident of El Cajon for 21 years. I attended Valhalla High School and now go to UC San Diego.

Our Arab Community of Interest in El Cajon is composed of immigrants and refugees, Arabic speakers, renters, English learners, large families, and many of us prioritize increased affordable housing, English Language services, public transportation, and education access.

Public Map 112 most accurately depicts our community and our concentration within Districts 2 and 4. Districts 2 and 4 on Map 112 encompass our Masjids, Churches, Businesses, Restaurants, and homes.

We are coming together as a Community of Interest with shared values, and we urge you to take our community into account and consider our input as maps are redrawn.

We live in underserved communities within El Cajon, we're excluded from the city's decision making processes and we want to bring change in our community by being a unified voting bloc. Please keep us united in Districts 2 and 4 in Map 112.

Thank you,

Mary
