City Council Agenda Report

Agenda Item 5.

DATE: July 11, 2023
TO: Honorable Mayor and City Councilmembers
FROM: Mike Moulton, Chief of Police
SUBJECT: FY24 California Highway Patrol - Cannabis Tax Fund Grant Program (CTFGP) Award

RECOMMENDATION:

That the City Council takes the following actions:

1. Authorizes the City Manager, or designee, to accept the FY24 California Highway Patrol - Cannabis Tax Fund Grant Program (CTFGP) Award in the amount of \$111,156.30, and to execute any grant documents and agreements necessary for the receipt and use of these funds.
2. Appropriates \$111,156.30 of the FY24 California Highway Patrol - Cannabis Tax Fund Grant Program (CTFGP) Award to be allocated as follows:
 - Procure one fully equipped DUI Enforcement Trailer for \$75,000 to be used for traffic enforcement details including DUI/DL Checkpoints and DUI Saturation patrols;
 - Fund \$30,636.30 in overtime costs associated with operating (4) DUI Saturation patrol enforcement details and (2) DUI/DL Checkpoints; and
 - Purchase registration in the amount of \$5,520 to cover the cost for personnel to attend the Lifesavers Educational Conference.

BACKGROUND:

With the passage of Proposition 64 in 2016, The Control, Regulate and Tax Adult Use Marijuana Act (AUMU), California voters mandated the state to set aside funding for the CHP to provide grants to local governments and qualified non-profit organizations for the education, prevention, and enforcement of impaired driving laws pursuant to Section 34019 (f)(3)(B) of the Revenue and Taxation Code (RTC). These Law Enforcement grants provide financial assistance to allied agencies for the education, prevention, and enforcement of laws related to driving under the influence of alcohol and other drugs, including cannabis. The intent of the program is to educate the public regarding the dangers of impaired driving, enforce impaired driving laws on the roadway, and improve an agency's effectiveness through the training and development of new strategies.

Increased traffic enforcement by police officers directly correlates with a decrease in traffic collisions and several studies support the effectiveness of DUI checkpoints in reducing collisions and in educating the public about the dangers of impaired driving. The objective of the enforcement details and checkpoints is to increase the total number of DUI arrests during those detail hours and decrease the total number of DUI-related collisions during the entire grant year period.

Fiscal Year 2023 was the first year that the El Cajon Police Department received funding from the CHP-CTFGP grant program. The goal of reducing the number of DUI collisions by 10% across a calendar year was exceeded. There were 92 total DUI-related collisions in El Cajon in 2021 and in 2022 this number dropped to 74.

For Fiscal Year 2024, the City of El Cajon Police Department has been awarded \$30,636.30 in CTFGP grant funds to conduct (4) DUI Saturation patrol enforcement details and (2) DUI/DL Checkpoints in an effort to continue to reduce the number of collisions involving impaired driving in our jurisdiction. In addition, the department received \$75,000 to purchase a fully equipped DUI Enforcement Trailer to be used in conjunction with these details. Grant funds of \$5,520 have also been awarded to allow two department personnel to attend the Lifesavers Conference, which for 41 years has been recognized as the premiere conference to educate about the latest highway safety research, best practices, and cutting-edge initiatives. The conference is designed to engage federal, state, and local government, law enforcement, public health, injury prevention, advocacy, and non-profit organization professionals in an exchange of ideas, strategies, and programs to reduce preventable injuries and deaths.

CALIFORNIA ENVIRONMENTAL QUALITY ACT:

This action is exempt from the California Environmental Quality Act (CEQA) in accordance with CEQA Guidelines section 15378(b)(2). It will not result in any direct or indirect physical change in the environment because it solely provides authorization for the purchase of equipment, to fund training, and implement DUI enforcement.

FISCAL IMPACT:

The City of El Cajon Police Department has been awarded \$111,156.30 in funding from the FY24 California Highway Patrol - Cannabis Tax Fund Grant Program (CFTGP). These grant funds will be appropriated to activity 225900 - Police Miscellaneous Grants, and there will be no fiscal impact to the City's General Fund.

4. The Grantee agrees to provide any additional funding, beyond what the State has agreed to provide, pursuant to this Grant Agreement, and necessary to complete or carry out the Project, as described in this Grant Agreement. Any modification or alteration of this Grant Agreement, as set forth in the Grant Application submitted by the Grantee and on file with the State, must be submitted in writing thirty (30) calendar days in advance to the State for approval.

Equipment purchased under this Grant Agreement must only be used for approved Project-related purposes, unless otherwise approved by the State in writing.
5. Prior to disposition of equipment acquired under this Grant Agreement, the Grantee shall notify the State via e-mail, and by telephone, by calling the California Highway Patrol, Impaired Driving Section, Cannabis Grants Unit at (916) 843-4360.

 - a. If by reason of force majeure the performance hereunder is delayed or prevented, then the term end date may be extended by mutual consent for the same amount of time of such delay or prevention. The term "force majeure" shall mean any fire, flood, earthquake, or public disaster, strike, labor dispute or unrest, embargo, riot, war, insurrection or civil unrest, any act of God, any act of legally constituted authority, or any other cause beyond the Grantee's control which would excuse the Grantee's performance as a matter of law.
 - b. Grantee agrees to provide written notice of an event of force majeure under this Grant Agreement within ten (10) calendar days of the commencement of such event, and within ten (10) calendar days after the termination of such event, unless the force majeure prohibits Grantee from reasonably giving notice within this period. Grantee will give such notice at the earliest possible time following the event of force majeure.
2. Any violations of law committed by the Grantee, misrepresentations of Project information by the Grantee to the State, submission of falsified documents by the Grantee to the State, or failure to provide records by the Grantee to the State when requested for audit or site visit purposes may be cause for termination. If the Project is terminated for the reasons described in this paragraph, the State will have no obligation to reimburse the Grantee for any additional costs once the Grant Agreement has been terminated.
3. The State may terminate this Grant Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Grant Agreement at the time and in the manner herein provided. Furthermore, the Grantee, upon termination, shall return grant funds not expended by the Grantee as of the date of termination.
4. If this Grant Agreement is terminated, the State may choose to exclude the Grantee from future Grant Opportunities.

D. FINANCIAL RECORDS

1. The Grantee agrees the State, or their designated representative, shall have the right to review and to copy all records and supporting documentation pertaining to the performance of this Grant Agreement. Grantee agrees to maintain such records for possible audit for a minimum of five (5) years after final payment, unless a longer period of records retention is stipulated or required by law. Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Schedule A

El Cajon Police Department

All grant awards, including any adjustments to requested funding, were made by the Cannabis Grants Unit based on the merits of the Grant Application, scale of operation, and in accordance with the Request for Application (RFA) requirements and associated regulations. As a result, not all Project activities and items detailed in Schedule A are applicable. Refer to Schedule B - Detailed Budget Estimate for approved Budget line items and Project activities. Project activities and items that are not clearly identified/specified in the Grant Agreement must be submitted to and approved by CGU prior to purchase. Grantees shall not exceed the travel rates paid to exempt, excluded, and represented State of California employees and will be reimbursed at the State travel rates. Any costs beyond State travel rates will be at the expense of the Grantee.

Project Description

Grant funding will be used for purchase of a new DUI Trailer and will additionally be used for DUI enforcement details. Funding is also requested for training.

For the DUI Trailer, ECPD currently has a very outdated trailer that is used. The trailer is a 2002 model and was obtained by ECPD for the purposes for being used at DUI checkpoints sometime around 2002. The interior lighting does not always function and multiple items inside the trailer are broken. The trailer does not have heating or air conditioning capabilities. Grant funds will be used to replace the trailer with a current model and will be outfitted to meet current industry recommendations. One supplier within our county was contacted and they recommended heating and air conditioning systems, lighting systems, cabinets, shelves, and storage systems, desks and work areas, and a built-in generator.

ECPD will also conduct DUI enforcement details. These details will include 4 DUI Saturation Patrol enforcement details and 2 DUI / DL Checkpoints.

ECPD will use grant funds to send two traffic personnel to the Lifesavers conference.

These combined enforcement and education details, DUI Trailer, and Lifesavers conference training will help achieve the desired outcome of reducing drug and alcohol involved collisions and fatalities in our city.

Problem Statement & Proposed Solution

The City of El Cajon has seen collisions increase or remain constant over the last several years. The most recent data available for OTS Crash Rankings is from 2020. El Cajon was ranked 6 out of 61 for total fatal and injury victims in "B" group cities. El Cajon was ranked 1 for pedestrian-involved fatal and injury victims and ranked 2 for speed related fatal and injury collisions. This is comparable to previous years as well. In 2019 El Cajon was ranked 5 out of 59 and in 2018 El Cajon was ranked 4 out of 59 for total fatal and injury victims. In both 2018 and 2019 El Cajon was ranked 2 for pedestrian-involved fatal and injury victims.

For comparison, the two cities that are neighbors with El Cajon are La Mesa and Santee. Both are in the "C" group for OTS Crash Rankings. In 2020, La Mesa was ranked 60 out of 106 and Santee was ranked 96 out of 106 for total fatal and injury victims.

Alcohol and drugs have been a factor for major injury collisions and fatalities in El Cajon, but enforcement has been low. In 2020 El Cajon was ranked 27 out of 61 for DUI arrests per the OTS Crash Rankings. In 2019 and 2020 there was 1 fatal collision involving alcohol or drugs each year. In 2021 there was one confirmed alcohol or drug involved collision and one additional collision which had two deaths, including the driver. This collision involved current or recent high school students. Toxicology was not completed for prosecution purposes due to the driver dying but marijuana was found in the vehicle and the occupants were seen drinking at a party prior to the collision. In 2022 the number of alcohol or drug involved fatal collisions increased to three confirmed collisions along with four additional collisions where alcohol or drug use was suspected but the driver was the only one killed and no toxicology was obtained for prosecution purposes. This puts the total number of suspects alcohol or drug involved fatal collisions during 2022 at 7.

Regarding current enforcement efforts, in 2020 El Cajon was ranked 27 out of 61 for DUI arrests. Creating proactive enforcement details such as DUI Saturation Patrols alongside education and enforcement efforts such as DUI Checkpoints should help reduce the total number of alcohol or drug involved fatal collisions while also increasing the total number of DUI arrests. Grant funds are requested to enable the El Cajon Police Department to operate all of these details. Grant funds are also requested to purchase a new DUI Trailer to

Schedule A

be used during the DUI Checkpoints. Additional funds are also requested for education. ECPD would like to send two traffic personnel to the Lifesaver's Conference in Colorado Apr 7-9, 2024.

Performance Measures/Scope of Work

A quarterly performance report will be completed upon receipt of the DUI Trailer. Ongoing quarterly reports will be submitted for future quarters in which the DUI Trailer is used. These reports will show the number of times the Trailer is used during special enforcement events.

One DUI Saturation enforcement detail will take place each quarter. Two total DUI Checkpoints will take place over the grant year. If possible and practical, both DUI Checkpoints will take place after the DUI Trailer has been received.

Statistics from the DUI Saturation enforcement details including total number of contacts, citations, DUI arrests, SFST's completed, and vehicles impounded will be reported. Statistics from the DUI Checkpoints including total number of vehicles through the checkpoint, number of vehicles stopped, number of vehicles sent to secondary screening, SFST's completed, DUI arrests, and vehicles impounded will be reported.

The objective of the enforcement details and checkpoints is to increase the total number of DUI arrests during those detail hours and to also decrease the total number of DUI related collisions during the entire grant year period. The previous goal for the FY 2022/23 grant was to reduce the number of DUI collisions by 10% across a calendar year. This was accomplished. There were 92 total DUI related collisions in El Cajon in 2021. In 2022, this number dropped by almost 20% to 74. This decrease is likely due to increased enforcement efforts. The specific quantitative goal for this grant period is to decrease that number by 10% again to 67 or fewer.

A quarterly performance report will be completed in Q4 to document the attendance at the Lifesavers Conference. The objective of attendance at the conference is to become educated on best industry standards and practices for reducing collisions in our city.

Project Performance Evaluation

Statistics documenting the actions taken during the enforcement details and checkpoints will be reported. To incorporate community stakeholders, the El Cajon Police Department will engage with existing community organizations such as MADD and ask them to join us during details to help educate the public about our efforts.

Additionally, a press release will be disseminated to the public prior to each DUI Checkpoint to raise awareness about both the operation and the dangers of impaired driving. The El Cajon Police Department will utilize our social media accounts to publicize our enforcement efforts as well.

Program Sustainability

The funds for this grant period will be used during the grant fiscal year 2023-2024. When collision data is made available, the effectiveness of the enforcement details can be measured against data from prior periods to determine the overall impact this program had. One example of this is the previously mentioned successful reduction in DUI related collisions from 2021 to 2022. Unfortunately, with the increase in pedestrian related fatal collisions, enforcement and education activities are still needed.

Administrative Support

The City of El Cajon has used several grants in the past for a variety of projects, including this grant in FY 2022-23. Our fiscal team is trained on submitted requests for payment and funds through various grant platforms. Our sworn staff in charge of grant administration have attended grant workshops, including a workshop for this grant.

The O.T.S. STEP grant is like this grant because funds are used to conduct enforcement details. The Traffic Sergeant manages both this grant and the O. T. S. STEP grant. We have successfully managed all grant implementation, purchases, quarterly reporting, and required documentation across both grants.

To operate the grant funded enforcement details, we have a history of completing these details with sufficient staffing. Generally, the details are staffed with officers from the Traffic Unit who are more educated on primary collision factors and DUI enforcement than normal patrol officers. This has provided adequate staffing over previous grant funded periods.

Schedule B-1 Budget Narrative

El Cajon Police Department

Other Direct Costs

Lifesavers Conference - Registration Fee

\$5,520.00

Funds are requested to send two ECPD staff to the Lifesavers Conference April 7-9, 2024 in Denver, CO. This conference covers several key traffic safety topics that would be beneficial for our staff to learn and implement. The 2023 conference has 85 total workshops available on topics including child passenger safety, distracted driving, impaired driving, pedestrian, bicyclist, and micromobilist safety, and law enforcement. Funds requested are based off of the costs for the 2023 conference plus an estimated 10% increase. Per person, registration is \$650, hotel rates are \$250 per night at 4 nights, flights are \$600, and per diem is \$52 per day at 5 days. This totals \$2510 per person for a total of \$5020. One shared rental car is \$100 per day for 5 days. This totals \$5520 to send two staff to the conference.

Personnel

DUI Checkpoint

\$21,838.89

Two total DUI Checkpoints each staffed with:

- 1 Sergeant for 8 hours at \$107.41 per hour,
- 12 Officers for 8 hours at \$88.37 per hour,
- 2 Police Service Officers for 8 hours at \$51.84 per hour, and
- 1 Records Specialist for 8 hours at \$44.70 per hour.

Over two Checkpoints this totals \$21,059.68. Additionally, benefits are calculated at 3.70% which adds \$779.21 for a total of \$21838.89.

All staff are on overtime and the listed pay rates reflect the overtime rate.

The Records Specialist is required for data entry during the checkpoint including but not limited to creating cases, entry of impounded vehicles into SVS, and records checks such as vehicle registration and driver's license status. These tasks are necessary for the organization and functionality of the DUI Checkpoint, which directly relates to impaired driving enforcement.

DUI Saturation Patrol

\$8,797.41

Four total details each staffed with:

- 1 Sergeant for 6 hours at \$107.41 per hour, and
- 4 Officers for 6 hours at \$88.37 per hour.

This creates a total cost of \$8,483.52. Benefits are calculated at 3.70 percent which adds \$313.89 for a total of \$8,797.41

Equipment

DUI Trailer - Outfitting

\$75,000.00

One fully equipped Police DUI Trailer for use during DUI Checkpoints. Our current DUI Trailer is run down and is over 20 years old. Several items including interior lights, cabinets, and door frames on the trailer are no longer functional.

The trailer is a key feature during DUI Checkpoints. It is used to store additional equipment to bring out to the Checkpoint. While on scene, professional staff use the trailer as an office and work out of it to conduct records checks and manage the radio among other tasks. The Trailer is also a hub for external lighting and equipment used in secondary screening. Without a new Trailer, our ability to adequately organize and run DUI Checkpoints is diminished and we won't be able to run them at all once the current Trailer breaks completely.

A vendor who has created multiple DUI Trailers for law enforcement agencies and is an expert in the construction of them was contacted. They could not provide a full quote due to market volatility from their vendor but the current estimate for an outfitted DUI Trailer was \$65,000. With inflation continually increasing costs, the requested amount was increased to \$75,000 to make sure all expenses are covered when the grant funding is made available and the purchase order is submitted.

City Council
Agenda Report

DATE: July 11, 2023
TO: Honorable Mayor and City Councilmembers
FROM: Mike Moulton, Chief of Police
SUBJECT: FY24 Budget Amendment Request for National Night Out

RECOMMENDATION:

That the City Council takes the following actions:

1. Increases appropriations from fund balance in the amount of \$30,000 for the National Night Out event being held on August 1, 2023; and
2. Accepts \$27,000 in sponsorship donations for the National Night Out event being held on August 1, 2023.

BACKGROUND:

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. This year's National Night Out will take place on Tuesday, August 1, 2023 at Parkway Plaza. The City's Marketing and Engagement Manager and the Police Department's Community Information Officer are planning a significantly larger event this year and they have secured sponsorships totaling \$27,000 from the following local businesses:

1. Mercedes of El Cajon,
2. Toyota Of El Cajon,
3. BMW of El Cajon,
4. El Cajon Ford,
5. Lexus of El Cajon,
6. Dana Logsdon Roofing, and
7. Mountain West Towing

It is also anticipated that an additional \$5,000 - \$10,000 in sponsorships will be obtained prior to the event.

CALIFORNIA ENVIRONMENTAL QUALITY ACT:

Authorization to appropriate funds and accept donations is exempt from the provisions of the California Environmental Quality Act (CEQA), pursuant to CEQA Guidelines sections 15060(c)(3) and 15378, because it is not defined as a project and will not result in a direct or reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT:

The Fiscal Impact on the City's General Fund from this action will result in a \$30,000 increase to the Police Admin account 101301-8574 National Night Out. This increase in expenditures will be offset by an increase of \$27,000 in the Police Revenue account 101300-6020 from the sponsorships/donations for National Night Out.

City Council Agenda Report

Agenda Item 7.

DATE: July 11, 2023
TO: Honorable Mayor and City Councilmembers
FROM: Mike Moulton, Chief of Police
SUBJECT: FY 2022 Office of Emergency Services (CalOES) - Coverdell Forensic Science Improvement Grant Award

RECOMMENDATION:

That the City Council takes the following actions:

1. Authorizes the City Manager, or designee, to accept the FY 2022 Coverdell Forensic Science Improvement Grant in the amount of \$51,957, and execute any grant documents and agreements necessary for the receipt and use of these funds; and
2. Appropriates funding of \$35,691, to purchase a three-year renewal of Qualtrax Compliance Software, which will be processed on an annual basis, and \$16,266 to fund overtime costs for three Forensic Evidence Technicians.

BACKGROUND:

Each year, the California Office of Emergency Services awards Forensic Science Improvement Grants to local jurisdictions to improve the quality, timeliness, and credibility in the field of forensic science. The El Cajon Police Department Forensic Lab plans to utilize this year's grant funding to purchase a three-year renewal of the Qualtrax Compliance Software program. Our 2018 Coverdell Grant award was used to purchase the initial five-year contract for our Qualtrax Compliance Software. The current year's grant funding will enable the lab to extend the contract for three additional years. The use of this software has helped with document management and assisted the lab in writing quality reports. This in turn has leveraged more time for casework and has increased the capacity of the Forensic Lab to provide the highest level of quality and compliance with the ISO 17025 standards. The Forensic Lab will use the requested overtime reimbursement to utilize the Department's three Forensic Evidence Technicians to reduce the backlog in cases and increase the turnaround time on latent print and crime scene processing.

CALIFORNIA ENVIRONMENTAL QUALITY ACT:

This action is exempt from the California Environmental Quality Act (CEQA) in accordance with CEQA Guidelines section 15378(b)(2). It will not result in any direct or indirect physical change in the environment because it solely provides authorization for the purchase of software and personnel-related actions.

FISCAL IMPACT:

The FY 2022 Coverdell Forensic Science Improvement Grant Award will provide \$51,957 in funding to the Police Special Revenue Fund (226380) and will not impact the City's General Fund. No matching funds are required for this grant. These grant funds will be used by the El Cajon Police Department Forensic Lab for the projects listed above or as modified in the grant workbook and approved by the granting agency.

19. All Grant Subawards must have Specific Federal Authorization

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements for authorization of any Grant Subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "Grant Subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any Grant Subaward are posted on the OJP website at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm>.

20. Requirements Related to System for Award Management and Universal Identifier Requirements

Subrecipients (and any Second-Tier Subrecipients) must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

Subrecipients also must comply with applicable restrictions for Second-Tier Subawards, including restrictions on Grant Subawards to entities that do not acquire

and provide (to Subrecipients) the unique entity identifier required for SAM registration.

The details of the Subrecipients' obligations related to SAM and to unique entity identifiers are posted on the OJP website at <https://ojp.gov/funding/Explore/SAM.htm>.

This condition does not apply to a Grant Subaward to an individual who received the Grant Subaward as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

21. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by Subrecipients (and any Second-Tier Subrecipients), either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by Subrecipients (and any Second-Tier Subrecipients), to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient (or any Second-Tier Subrecipient) would or might fall within the scope of these prohibitions, the Subrecipient is to contact Cal OES for guidance, and may not proceed without the express prior written approval of Cal OES.

22. Specific Post-award Approval Required to Use a Noncompetitive Approach in any Procurement Contract that would Exceed \$250,000

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP website at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm>.

23. Requirements Pertaining to Prohibited Conduct Related to Trafficking in Persons (including reporting requirements and OJP Authority to Terminate Grant Subaward)

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Subrecipients (and any Second-Tier Subrecipients), or individuals defined (for purposes of this condition) as "employees" of Subrecipients (and any Second-Tier Subrecipients).

The details of the Subrecipients' obligations related to prohibited conduct related to trafficking in persons are posted on the OJP website at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm>.

24. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Subrecipients (and any Second-Tier Subrecipients) must promptly refer to Cal OES any credible evidence that a principal, employee, agent, Subrecipient, contractor, subcontractor, or other person has, in connection with funds under this Grant Subaward— (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this Grant Subaward must also be reported to Cal OES. Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

25. Limit on Use of Grant Funds for Grantees' Employees' Salaries

With respect to this Grant Subaward, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the Grant Subaward recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (A Grant Subaward recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this Grant Subaward may be waived on an individual basis at the discretion of the OJP official indicated in the program announcement under which this Grant Subaward is made.

26. Information and/or Data Requests

Subrecipients (and any Second-Tier Subrecipients) agree to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.

27. Published Written and Web-based Materials

Subrecipients shall provide the Cal OES Program Specialist with a copy of any curricula, training materials, proposed publications, reports, or any other written materials that will be published, including web-based materials and website content, resulting from this Grant Subaward at least forty-five working days prior to the targeted dissemination date. Any written, visual, or audio publications, with the exception of press releases, whether published at the grantee's or government's expense, shall contain the following statements: "This project was supported by Grant No. _____, awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Department of Justice's Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, the Office for Victims of Crime, and the SMART Office. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice."

28. Press Releases

Subrecipients (and any Second-Tier Subrecipients) shall transmit to the Cal OES Program Specialist copies of all official award-related press releases at least fifteen working days prior to public release. Advance notice permits time for coordination of release of information by Cal OES where appropriate and to respond to press or public inquiries.

29. Copyright; Data rights

Subrecipients (and any Second-Tier Subrecipients) acknowledge that OJP reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under a Grant Subaward; and (2) any rights of copyright to which a Subrecipient (at any Second-Tier Subrecipient) purchases ownership with Federal support.

Subrecipients (and any Second-Tier Subrecipients) acknowledge that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under a Grant Subaward; and (2) authorize others to receive, reproduce, publish, or

otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data – General).

It is the responsibility of the Subrecipient (and any Second-Tier Subrecipient) to ensure that the provisions of this condition are included in any Grant Subawards (and any Second-Tier Subrecipient) under this award.

Subrecipients (and any Second-Tier Subrecipients) have the responsibility to obtain from Subrecipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the Subrecipient's obligations to the Government under this Grant Subaward. If a proposed Subrecipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the Subrecipient shall promptly bring such refusal to the attention of the Cal OES Program Specialist for the Grant Subaward and not proceed with the agreement in question without further authorization from Cal OES.

30. Generally Accepted Laboratory Practices

Subrecipients (and any Second-Tier Subrecipients) shall ensure that any forensic laboratory, forensic laboratory system, medical examiner's office, or coroner's office that will receive any portion of the Grant Subaward uses generally accepted laboratory practices and procedures as established by accrediting organizations or appropriate certifying bodies.

a. External Investigations

Subrecipients (and any Second-Tier Subrecipients) shall ensure that requirements associated with 34 U.S.C. section 10562(4) (which relate to processes in place to conduct independent external investigations into allegations of serious negligence or misconduct by employees or contractors) are satisfied with respect to any forensic laboratory system, medical examiner's office, coroner's office, law enforcement storage facility, or medical facility in the State that will receive a portion of the grant amount.

b. Accreditation

Subrecipients (and any Second-Tier Subrecipients) shall ensure that any forensic laboratory or forensic laboratory system (not including any medical examiner's office or coroner's office) that will receive any portion of the award either is accredited, or will use a portion of this award to prepare and apply for accreditation by not more than two years from the award date of this award.

Additionally, with respect to accreditation, the Subrecipient (and any Second-Tier Subrecipient) shall ensure that for any Grant Subaward it makes under this award, it will require in a legally-binding and enforceable writing, such as the Grant

Subaward documentation (for example, Grant Subaward terms and conditions), that its Subrecipient: (1) if accredited, must continue to demonstrate such accreditation as a condition of receiving or using the Grant Subaward funds; or (2) if not accredited, must use the Grant Subaward funds to prepare and apply for accreditation.

The Coverdell statute (see 34 U.S.C. section 10562(2)) and the Paul Coverdell Forensic Science Improvement Grants Program solicitation state certain requirements and guidance associated with proper accreditation and regarding what BJA will consider to be acceptable documentation of accreditation. The Subrecipient is to contact the Cal OES Program Specialist for clarification or guidance if it should have any question as to what constitutes proper accreditation for the purposes of the Coverdell program. Grant Subaward funds may not be used under this Grant Subaward by a forensic laboratory or forensic laboratory system with accreditation (or by such laboratory to obtain accreditation) that BJA determines not to be consistent with the Coverdell law and the solicitation or to be otherwise deficient.

Subrecipients (and any Second-Tier Subrecipients) agree to notify Cal OES promptly upon any change in the accreditation status of any forensic science laboratory or forensic laboratory system that receives funding under this Grant Subaward.

31. Use of Funds; No Research

Funds provided under this Grant Subaward shall be used only for the purposes and types of expenses set forth in the Request for Application. Funds shall not be used for general law enforcement functions or non-forensic investigatory functions, and shall not be used for research or statistical projects or activities. Use of Grant Subaward funds for construction of new facilities is restricted by statute. Any questions concerning this provision should be directed to the Cal OES Program Specialist prior to incurring the expense or commencing the activity in question.

To ensure compliance with the Government Performance and Results Act (Pub. L. No. 103-62) and the GPRA Modernization Act of 2010 (Pub. L. No. 111-352), program performance under this Grant Subaward is measured by the following: (1) percent reduction in the average number of days from the submission of a sample to a forensic science laboratory to the delivery of test results to a requesting office or agency (calculated by reporting the average number of days to process a sample at the beginning of the grant period versus the average number of days to process a sample at the end of the grant period); (2) percent reduction in the number of backlogged forensic cases (calculated by reporting the number of backlogged forensic cases at the beginning of the grant period versus the number of backlogged forensic cases at the end of grant period), if applicable to the Grant Subaward; and (3) the number of forensic science or medical examiner/coroner's

office personnel who completed appropriate training or educational opportunities with these Coverdell funds, if applicable to the Grant Subaward. Subrecipients (and any Second-Tier Subrecipients) are required to collect and report data relevant to these measures.

32. Forensic Science or Medical Examiner Services Fees

Subrecipients (and any Second-Tier Subrecipients) understand and agree that, throughout the Grant Subaward Performance Period, it must promptly notify Cal OES if it either starts or stops charging fees for forensic science or medical examiner services, or if it revises its method of allocating fees received for such services to program income. Notice must be provided in writing to the Cal OES Program Specialist within fifteen business days of implementation of the change.

33. External Investigations

Subrecipients (and any Second-Tier Subrecipients) acknowledge that, as stated in the solicitation for the Paul Coverdell Forensic Science Improvement Grants Program, BJA assumes that Subrecipients (and Second-Tier Subrecipients) of Coverdell funds will make use of the process referenced in their certification as to external investigations and will refer allegations of serious negligence or misconduct substantially affecting the integrity of forensic results to government entities with an appropriate process in place to conduct independent external investigations, such as the government entity (or entities) identified in the grant application. The Subrecipient shall submit the following information as part of its final report: (1) the number and nature of any allegations of serious negligence or misconduct substantially affecting the integrity of forensic results received during the Grant Subaward; (2) information on the referrals of such allegations (e.g., the government entity or entities to which referred, the date of referral); (3) the outcome of such referrals (if known as of the date of the report); and (4) if any such allegations were not referred, the reason(s) for the non-referral. Should the project period for this award be extended, the Subrecipient shall submit the above information as to subsequent twelve-month periods every twelve months thereafter (as part of a semi-annual progress report) until the close of the Grant Subaward, at which point the Subrecipient shall submit the required information as to any period not covered by prior reports as part of its final report. The Subrecipient understands and agrees that funds may be withheld (including funds under future awards), or other related requirements may be imposed, if the required information is not submitted on a timely basis.

34. Subrecipient Integrity and Performance Matters

Subrecipients (and any Second-Tier Subrecipients) must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement

contract from the federal government. Under certain circumstances, Subrecipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIS").

The details of Subrecipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIS") within SAM are posted on the OJP website at <https://ojp.gov/funding/FAPIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIS), and are incorporated by reference here.

35. Gross Income

Subrecipients (and any Second-Tier Subrecipients) understand and agree that gross income (revenues) from fees charged for forensic science or medical examiner services constitutes program income (in whole or in part), and that program income must be determined, used, and documented in accordance with the provisions of 2 C.F.R. 200.307, including as applied in the Department of Justice (DOJ) Grants Financial Guide, as it may be revised from time to time. Subrecipients (and any Second-Tier Subrecipients) further understand and agree that both program income earned during the Grant Subaward Performance Period and expenditures of such program income must be reported to Cal OES and are subject to monitoring.

Subrecipients (and any Second-Tier Subrecipients) understand and agree that program income earned during the Grant Subaward Performance Period may be expended only for permissible uses of funds specifically identified in the Request for Application for the Paul Coverdell Forensic Science Improvement Grants Program. The Subrecipient further understands and agrees that program income earned during the Grant Subaward Performance Period may not be used to supplant State or local government funds, but instead may be used only to increase the amount of funds that would, in the absence of Federal funds or program income, be available from State or local government sources for the permissible uses of funds listed in the Request for Application.

Subrecipients (and any Second-Tier Subrecipients) understand and agree that program income that is earned during the final one hundred twenty (120) days of the Grant Subaward Performance Period may, if appropriate, be obligated (as well as expended) for permissible uses during the one hundred twenty-day (120-day) period following the end of the Grant Subaward Performance Period. The Subrecipient further understands and agrees that any program income earned during the Grant Subaward Performance Period that is not obligated and expended within one hundred twenty (120) days of the end of the Grant Subaward Performance Period must be returned to Cal OES.

36. Federal, State and Local Environmental Laws and Regulations

Subrecipients (and any Second-Tier Subrecipients) agree to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this Grant Subaward.

a. Environmental Assessment (EA)

The activities the Subrecipient (and any Second-Tier Subrecipient) has proposed to conduct under this Grant Subaward fall within the scope of a BJA Programmatic EA that complies with the National Environmental Policy Act (NEPA). These activities have been determined not to have a significant impact on the quality of the human environment.

b. Modifications

Throughout the term of this Grant Subaward, Subrecipients (and any Second-Tier Subrecipients) agree that for any activity that is the subject of a completed EA, it will inform Cal OES of (1) any change(s) that it is considering making to the previously assessed activity that may be relevant to environmental impact; or (2) any proposed new activities or changed circumstances that may require assessment as to environmental impact, such as new activities that involve the use of chemicals or involve construction or major renovation. Subrecipients (and any Second-Tier Subrecipients) will not implement a proposed change or new activity until BJA, with the assistance of Cal OES, has determined whether the proposed change or new activity (or changed circumstances) will require additional review under NEPA. Approval for implementation will not be unreasonably withheld as long as any requested modification(s) is consistent with eligible program purposes and found acceptable under a BJA-conducted environmental impact review process.

37. Unmanned Aircraft Systems

The Subrecipient (and any Second-Tier Subrecipients) agrees that no funds under this Grant Subaward (including via subcontract or subaward, at any tier) may be used for unmanned aircraft systems (UAS), which includes unmanned aircraft vehicles (UAV), or for any accompanying accessories to support UAS.

38. Federal Funding Accounting and Transparency Act (FFATA)

Yes No

- Has the Subrecipient received \$25,000,000 or more in federal funds in the preceding fiscal year?
- If the answer is yes, does the amount of federal funds received equal 80% or more of the Subrecipient's annual gross revenue?
- If the answer is yes to the above two questions, did the Subrecipient report to the U.S. Security and Exchange Commission?

Grant Subaward Budget Narrative

Grant Subaward #: CQ22 06 6511 10

Subrecipient: City of El Cajon

The proposed grant budget is directed exclusively at the objectives set out in the project. Each funding request is directly related to the accomplishment of the stated objectives in the grant plan. All procedures for this project will be in ~~conformance~~ ^{compliance} with established City, State, and Federal rules, regulations, policies, and guidelines. There will be no supplanting the existing fund.

We will be using the entire funding of this grant to purchase a three year extension to the contract for the Qualtrax Compliance Software and overtime funding for Forensic Evidence Technicians. Three Forensic Evidence Technicians, one latent print examiner, and one Crime Laboratory Manager at El Cajon Police Department's Forensic Laboratory, to achieve the highest level of quality within the Forensic Laboratory, will use the Qualtrax Compliance Software. The overtime will be used by three Forensic Evidence Technicians at El Cajon Police Department's Forensic Laboratory to process latent prints on evidence and to process crime scenes. They are recognized experts within their respective fields and currently performing duties directly associated with the disciplines we seek to improve.

Grant Subaward Budget Narrative

Grant Subaward #: CQ22 06 6511 10

Subrecipient: City of El Cajon

The Forensic Laboratory currently purchased a five year contract for the Qualtrax Compliance Software under the 2018 Paul Coverdell Grant. This request is to extend the contract three more years. The Qualtrax Compliance Software will continue to increase our capacity to provide the highest level of quality in the Forensic Laboratory. The software manages your quality system in compliance with ISO 17025. With the continued compliance of standards, the backlog of latent print and crime scene cases have increased. The software has helped with document management and assistance with writing quality reports. This continues to leverage more time for casework. The City of El Cajon is requesting purchasing an additional 36 more months on a 60 month software term.

The overtime for the three Forensic Evidence Technicians will allow for quicker turnaround for latent print cases. The Technicians will use the overtime for crime scene and latent print processing. Since the same individuals perform both of these analysis, this overtime will reduce the backlog in both crime scene analysis and latent print analysis.

Grant Subaward Programmatic Narrative

Grant Subaward #: CQ22 06 6511 B

Subrecipient: City of El Cajon

The City of El Cajon has a population of approximately 102,337, with the daytime and early evening population increasing to approximately 120,000 due to a major shopping center and large industrial parks. The City consists of approximately 14.4 square miles, is located in a valley on the east side of San Diego County, and has a moderate climate year round.

The Police Department has an A2LA ISO/IEC 17025:2017 accredited Forensic Laboratory. The Forensic Laboratory was originally accredited in December 2004 under ASCLD/LAB, then obtained the ASCLD/LAB ISO/IEC 17025:2005 certificate in June 2015, and finally obtained the A2LA ISO/IEC 17025:2017 in March 2019. It was awarded under certificate number 5116.01. The Forensic Laboratory is currently accredited. The Disciplines covered by the accreditation are Latent Prints (Latent Print Processing) and Crime Scene (Crime Scene Investigation).

The Police Department's Forensic Laboratory staff currently consists of a supervisor (non-sworn Forensic Scientist with a Bachelor of Arts Degree in Biology), one Forensic Latent Print Examiner (non-sworn), one Forensic Evidence Technician (non-sworn), two vacancies for Forensic Evidence Technician (non-

Grant Subaward Programmatic Narrative

Grant Subaward #: CQ22 06 6511 10

Subrecipient: City of El Cajon

sworn), and two vacancies for Latent Print non-paid volunteers. We utilize the service of volunteers (non-paid) to help in certain lab functions. They are trained and proficiency tested in the area of latent print processing and recovery within the Forensic Laboratory and at Crime Scenes. The non-paid volunteers work on unsolved property crimes cases. These Volunteers are selected from the local community college, which has a nationally recognized forensics program. The three full-time Forensic Evidence Technicians positions operate on a rotating 24-hour call out basis. Each Technician holds daily ancillary laboratory duties when they are not called to process crime scenes.

The Laboratory operates 24 hours a day and seven days a week. It actively provides services to the community in the areas of latent print processing and recovery, AFIS database searching, forensic photography, and crime scene investigations. The other services, such as DNA, latent print comparison, controlled substance identification, trace evidence, document examination, firearms analysis, etc., are outsourced to the San Diego County Sheriff's Laboratory for analysis.

Since our laboratory utilizes Forensic Evidence Technicians for latent print processing and recovery, we see a direct correlation to the increase in the

Grant Subaward Programmatic Narrative

Grant Subaward #: CQ22 06 6511 10

Subrecipient: City of El Cajon

backlog of cases for latent prints when the crime scene requests increase. Time spent at a crime scene reduces the time available for processing in the laboratory. During this past year, the City of El Cajon has had an increase in crime scenes to process. This year continued to bring challenges with the novel Coronavirus. The Forensic Laboratory observed an increase in case submissions and evidence submissions. A Forensic Evidence Technician and two Forensic Volunteer left the lab in the fall. This created more staffing needs. These three factors have contributed to the increase in the Forensic Laboratory's backlog in Latent Prints (Latent Print Processing) and Crime Scene (Crime Scene Investigation). The ECPD Laboratory's ultimate goal is to provide the utmost quality on every case the laboratory processes. We also look to improve productivity, which will allow us to process more cases leading to more investigative leads for our investigators.

Project Plan and Implementation

To ensure the continued quality, timeliness, and credibility of the provided forensic services to the City of El Cajon, the El Cajon Police Department Forensic Laboratory plans to utilize the grant funds to purchase additional years on already implemented Qualtrax Compliance Software, which will increase our

Grant Subaward Programmatic Narrative

Subrecipient: City of El Cajon

quality documentation capacity of the Laboratory. The funds will also be used for overtime for our Forensic Evidence Technicians, which will reduce the backlog in latent print development and crime scene analysis. The Forensic Laboratory will continue using this software in compliance of the A2LA ISO/IEC 17025:2017 accreditation.

The Qualtrax Compliance Software has features that streamline and maintain the Forensic Laboratory accreditations. This software controls documents and improves workflows. The Qualtrax Compliance Software will aid in fulfilling the following objectives:

Objective # 1: The El Cajon Police Department Forensic Laboratory desires to improve the quality of latent print processing and CSI processing. This is achieved by improving the quality system. The software will track audits and corrective actions. With more documentation, more time is taken away from casework. This software reduces the time managing paper, and allows analyst to focus on casework.

Objective # 2: The El Cajon Police Department Forensic Laboratory wishes to decrease the amount of errors in paperwork for ISO. At the Forensic Laboratory, the quality manager is also the property manager and the crime lab manager.

Grant Subaward Programmatic Narrative

Grant Subaward #: CQ22 06 6511 M

Subrecipient: City of El Cajon

The quality manager handles most of the reporting for ISO. This software has reporting tools that reduce errors in documentation. This allows the quality manager to spend more time improving the methods.

By using this system, the time to process a case will be decreased. The current option is to take handwritten notes at the crime scene and then type a report from these notes. The new system will take electronic notes, add those notes into the LIMS system, and create part of the report. The manual steps are time consuming, and will be eliminated with the new system.

The ECPD Forensic Laboratory will use overtime to decrease the backlog and increase turnaround. This will aid in fulfilling the following objectives:

Objective # 1: The El Cajon Police Department Forensic Laboratory desires to improve the turnaround time. The overtime worked will allow for more cases to be processed in a shorter time. This will allow for investigative leads to happen quickly in real time.

Objective # 2: The El Cajon Police Department Forensic Laboratory wishes to decrease the backlog in latent print processing and CSI processing. By deploying overtime, more cases will be processed which will decrease the backlog.

Non-Competitive Procurement Request Information and Instructions

A Non-competitive procurement transaction is a purchase of property/goods or services, where only a single source that can provide the services or goods is afforded the opportunity to offer a price for the specified services or goods. Contracts may include goods as well as services, and this definition will also apply to those circumstances (see Subrecipient Handbook (SRH) Section 6.045).

City Council Agenda Report

Agenda Item 9.

DATE: July 11, 2023
TO: Honorable Mayor and City Councilmembers
FROM: Yazmin Arellano, Director of Public of Works
SUBJECT: City of El Cajon Sewer Tax Roll Fees Report for Fiscal Year 2023-2024

RECOMMENDATION:

That the City Council:

1. Opens the Public Hearing and receives testimony;
2. Closes the Public Hearing;
3. Determines if a majority protest has been received; and (if not)
4. Determines the project is exempt under section 15378(b)(5) of the Guidelines for the California Environmental Quality Act; and
5. Adopts the next Resolution, in order, to:
 - Determine the lack of majority protest;
 - Overrule objections to the report;
 - Accept the City of El Cajon Sewer Tax Roll Fiscal Year 2023-2024 Report;
 - Accept Appendix A, which identifies by parcel number, each parcel of real property receiving sewer services, and the amount of sewer charges for each parcel for Fiscal Year 2023-2024 at the currently adopted rates, as required by the California Health and Safety Code section 5473, et seq., pertaining to collection of sewer charges on the tax roll;
 - Direct the City Clerk to file the reports with the San Diego County Auditor; and
 - Direct the Finance Department to file a certification of the sewer service charges with the San Diego County Auditor.

BACKGROUND:

The City provides sewer services to over 17,000 properties. On May 12, 2020, the City moved to place the annual sewer charges on the tax roll.

A public hearing is required to consider adopting a specific annual sewer charge for each property. The City of El Cajon Sewer Tax Roll Fiscal Year 2023-2024 Report (Report) identifies each parcel of real property receiving sewer services and the amount of sewer charges for each parcel for FY24, as required by the California Health and Safety Code section 5473, et seq., pertaining to collecting sewer charges on the tax roll. The Report is on file with the Office of the City Clerk.

In preparing the sewer billing for the tax roll, the methodology used to develop the bills has remained unchanged. The County of San Diego will continue to split annualized costs between the two tax bill installments received by property owners.

For most single-family residential customers, the City's sewer service fees are billed based on a fixed winter average (FWA) and a base monthly charge. Annually, the FWA is adjusted based on the previous winter's water usage. For commercial and industrial customers, the annual charges vary based on water consumption and the strength of the sewage they generate (categorized as low, medium, or high).

The water usage billed as part of the FY24 sewer bill relies on water usage data obtained from the City's two water purveyors (Helix Water District and Padre Dam Municipal Water District) for the period of May 2022 through April 2023. This data is used to develop the total annualized usage for most classifications and the FWA rates for residential customers who do not have separate irrigation meters.

Accounts that do not receive a property tax bill, such as properties owned by public entities (government agencies and school districts), will continue to receive manual bills under a separate process. Several multi-family properties and homeowners associations (HOAs) with master water meters for their properties will also receive manual bills.

Historically, some multi-family properties have managed sewer charges for their owners based on water usage from private meters. These accounts had originally been manually billed in at least the first annual period since the billing transition in 2020. Since this time, additional outreach has been performed to better understand how these property owners have managed charges and formulated equitable allocations. With this new data, staff has effectively transitioned multiple properties to tax roll billing for this and previous subject periods, thus reducing the number of manual bills required each year. Outreach will continue to help transition the remaining applicable multi-family properties to tax roll collection.

All affected property owners have received notices with the projected billing amount that is to be placed on the upcoming tax roll. Entities receiving manual bills will continue to receive them in the month of September, which closely aligns with the timeline for property tax billings. This provides these entities with the same notice as other property owners.

Approximately 16,250 mailers were sent to property owners. There will be approximately 150 invoices sent to entities in September as manual semi-annual bills. Property owners may also use the City's online lookup tool to review their previous annual sewer charges and the current charges, once approved by the City Council. This tool may be accessed via the City's dedicated sewer page at www.elcajon.gov/sewer.

Appendix A lists the annual sewer charge assessments for all affected properties at the rates that have been adopted in November 2018 to be enacted in FY24.

CALIFORNIA ENVIRONMENTAL QUALITY ACT:

This action does not constitute a "Project" under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15378(b)(5) because it is an administrative action that does not result in any change in the environment and is therefore exempt.

FISCAL IMPACT:

The total amount to be assessed on Tax Roll for 17,270 parcels to be submitted to the County Auditor for collection on the associated FY 2023-2024 property tax bills is \$29,550,365.06.

Rates may increase each year by any amount of pass-through charges per Section 53756 of the California Government Code; however, this year marks the final rate increase implementation of the Rate Study approved on October 8, 2019.

Billing Methodology

The methodology used to develop the sewer charges has not changed from the time of the approved sewer rate development. The County will split the annualized bill total across the two equal tax bill payments. The City's sewer service fees for most single-family residential customers are billed based on a Fixed Winter Average (FWA), calculated as the average water usage from November through March, and a base monthly charge. Annually, the FWA is adjusted based upon the previous winter's water usage.

City of El Cajon Sewer Tax Roll Fiscal Year 2023-2024 Report

For multi-family residential, commercial, and industrial customers, the annual charges are variable and based on the specific water consumption. Commercial and industrial accounts have additional rate variances based on the strength of the sewage they each generate (rated as low, medium, or high). The water use billed as part of the FY23-24 sewer bill is water use data from April to March. Water usage data was obtained from Helix Water District and Padre Dam Municipal Water District.

The bills are calculated as follows:

- Fixed Winter Average (FWA) = the average water usage from about November through March (varies based on actual water district read dates).
- For Fixed Winter Average accounts = $(FWA \times \text{Consumption Charge}) \times 6 + (12 \times \text{Monthly Base Charge})$
- Although most single-family residences are billed on an FWA, some accounts are billed on a consumption basis. For all consumption-based accounts, including commercial and multi-family accounts:
Annual Sewer Charge = $(\text{Total Consumption} \times \text{Consumption Charge}) + (12 \times \text{Monthly Base Charge})$
- Total Consumption = all water usage from April through March.

Home Owners Associations Equal Split

Quite a few properties have condo overlays or have Home Owners' Associations (HOAs) that have master meters for the properties. Because residential billing is based on actual water usage and not a flat rate per customer, the size of individual units would generally affect the water use and, subsequently, wastewater generation. For example, an HOA or condominium complex may have varying unit sizes that range from 1 (one) bedroom - 1 (one) bathroom studio to 3 (three) bedroom - 2 (Two) bath units. Some HOAs, however, have uniform units that would have relatively consistent water use and wastewater generation.

Over the past three years, the City has been reaching out to the HOAs and has asked them to fill out documentation outlining how they split their sewer bills among their property owners. 48 HOAs have responded that they split the bill evenly and had no concerns about the bill going on the tax roll. The corresponding 1,345 condominium owners in those situations are included in these tax roll assessments.

Annual Property Owner Notices

Individual notices were sent to all property owners with their projected bills on the tax roll based on the currently approved rate increases. HOA representatives whose charges are being collected with the tax roll have received notice about the charges in addition to the notices sent directly to the individual condominium owners. Entities receiving handbills will receive a separate mailing outlining the official bills they will receive in September, around the same time as the property tax billings are received. This allows the remaining HOAs and governmental entities to have the same planning information that the other property owners are given. Samples of the letters sent to property owners are included in Appendix A. A total of 16,207 mailers were sent to property owners and 48 mailers to HOA management contacts. There will be about 150 mailers sent to entities that will receive handbills. All sewer bills have been uploaded to the City's Sewer Account Lookup Tool on the City's website: https://docs.cityofelcajon.us:8552/arcgis/rest/directories/apps/sewer_lookup_tool/index.html.

Wastewater Treatment Costs/Pass-Through Costs

The costs of wastewater collection, transportation, and treatment have increased dramatically in recent years, and the forecast is for costs to continue to increase in the coming years. The City of El Cajon is a member of the Metro Wastewater Joint Powers Authority (Metro JPA). This twelve-member agency uses the City of San Diego

City of El Cajon Sewer Tax Roll Fiscal Year 2023-2024 Report

treatment facilities, primarily the Point Loma Wastewater Treatment Plant, to treat their wastewater. 100% of the City of El Cajon's wastewater effluent is transported to the City of San Diego for treatment and disposal. The City is also a member of the East County Advanced Water Purification Joint Powers Authority (ECAWP JPA), a three-wastewater member agency established in 2019 to manage the East County Advanced Water Purification Program (ECAWP Program) construction and operation starting in Fiscal Year 2026.

The Metro JPA shares the cost of the operation and maintenance of this plant and related infrastructure with the City of San Diego. The Point Loma Wastewater Treatment Plant is currently undergoing upgrades, and the City of San Diego is implementing the Pure Water Program, which also requires some cost-sharing for the infrastructure associated with the treatment of the wastewater generated from the Metro JPA agencies. The City continues to closely monitor the actual impact on treatment costs as the Pure Water Program costs become more specific. The City has the authority, by State statute, to pass through any increases from other agencies with any annual billing (such as treatment by the City of San Diego). For the FY23-24 tax roll billing, no proposed pass-through increase is required.

Summary of Annual Sewer Charges

Below is a summary of charges presented by Classification at the approved FY 24 rates for Council approval. The separate charges to be assessed for each parcel for the tax roll are included in Appendix B.

Customer Classification	FY2024 Total Charges
All Billing Types	\$29,550,365.06
Commercial/Gov	\$5,862,379.60
Multi-Family Res	\$12,803,346.50
Single-Family Res	\$10,884,638.96

Appendix C will be added to this report just before the July 11, 2023 Hearing. Appendix C will be presented for Council approval as amendments to specific assessments included in Appendix B. These adjustments are calculated by Staff using updated information based on property owner requests received after the creation of this report. Adjustments may be warranted when the initial water data used to calculate the sewer charge is not representative of a specific property's general sewage generation, especially when a property experiences water leaks or occupancy changes.

City Council
Agenda Report

DATE: July 11, 2023
TO: Honorable Mayor and City Councilmembers
FROM: Frank Carson, Director of Parks & Recreation
SUBJECT: NRPA/DOJ Mentoring Opportunities for Youth Initiative Grant Acceptance

RECOMMENDATION:

That the City Council accepts, appropriates and expends the grant agreement funding from the National Recreation & Park Association (NRPA) Mentoring Opportunities for Youth Initiative.

BACKGROUND:

The National Recreation & Park Association (NRPA), through funding from the U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP), has awarded the City of El Cajon Parks & Recreation Department \$50,000 to provide youth mentoring services through October 31, 2025. The primary location of these services would be the Renette Community Center because this site is where the Teen Coalition currently meets at this location. However, there will be opportunities for youth participation in this program citywide. The attached Memorandum of Understanding (MOU) provides greater details regarding the grant.

CALIFORNIA ENVIRONMENTAL QUALITY ACT:

The mentoring services to be funded by the grant do not constitute a project pursuant to California Environmental Quality Act (CEQA) Guidelines sections 15378(b)(4) and (5) on the basis that they are continuing administrative or organizational activities of government that will not result in direct or indirect physical changes in the environment.

FISCAL IMPACT:

Acceptance of the \$50,000 grant funds will be placed in the Parks & Recreation Department Grant Funds Account.

APPENDIX A: SPECIAL CONDITIONS

1. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2022)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at <https://www.ojp.gov/funding/Explore/FY22AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2022 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2022 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2022 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects,

uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

4. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees>.

5. Required training for Grant Award Administrator and Financial Manager

The Grant Award Administrator and all Financial Managers for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after October 15, 2020, will satisfy this condition.

In the event that either the Grant Award Administrator or a Financial Manager for this award changes during the period of performance, the new Grant Award Administrator or Financial Manager must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after the date the Entity Administrator enters updated Grant Award Administrator or Financial Manager information in JustGrants. Successful completion of such a training on or after January 1, 2020, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

8. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to

attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

9. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

10. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

11. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

12. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and

reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

13. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

14. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

15. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

16. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

17. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

18. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

19. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

20. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in

activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

21. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

22. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

23. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

24. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

25. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement

contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

27. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

28. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

29. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at

<https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

- 30.** The recipient agrees to submit a final report at the end of this award documenting all relevant project activities during the entire period of support under this award. This report will include detailed information about the project(s) funded, including, but not limited to, information about how the funds were actually used for each purpose area, data to support statements of progress, and data concerning individual results and outcomes of funded projects reflecting project successes and impacts. The final report is due no later than 120 days following the close of this award period or the expiration of any extension periods. This report will be submitted to the Office of Justice Programs, on-line through the Internet at <https://justgrants.usdoj.gov/>

31. Limit on use of grant funds for grantees' employees' salaries

With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of the OJP official indicated in the program announcement under which this award is made.

- 32.** The recipient is authorized to incur obligations, expend, and draw down funds for travel, lodging, and per diem costs only, in an amount not to exceed \$15,000, for the sole purpose of attending a required OJP conference associated with this grant award. The grantee is not authorized to incur any additional obligations, or make any additional expenditures or draw downs until the awarding agency and the Office of the Chief Financial Officer (OCFO) have reviewed and approved the recipient's budget and budget narrative, and an Award Condition Modification (ACM) has been issued to remove this award condition.

33. Justification of consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.

34. FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

35. Cooperating with OJP Monitoring

The recipient agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

- 36.** The award recipient must attend the Office of Juvenile Justice and Delinquency Prevention (OJJDP)-sponsored New Grantee Orientation training to be held during the first year of the project period at a location to be determined by OJJDP.

37. Copyright; Data rights

The recipient acknowledges that OJP reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under an award or subaward (at any tier); and (2) any rights of copyright to which a recipient or subrecipient (at any tier) purchases ownership with Federal support.

The recipient acknowledges that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under any such award or subaward; and (2) authorize others to receive, reproduce,

publish, or otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data - General).

It is the responsibility of the recipient (and of each subrecipient (at any tier), if applicable) to ensure that the provisions of this condition are included in any subaward (at any tier) under this award.

The recipient has the responsibility to obtain from subrecipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the recipient's obligations to the Government under this award. If a proposed subrecipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the recipient shall promptly bring such refusal to the attention of the OJP program manager for the award and not proceed with the agreement in question without further authorization from the OJP program office.

38. OJJDP - Web Site Notice of Federal Funding and Disclaimer

Any Web site that is funded in whole or in part under this award must include the following statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a Web-based service, including any pages that provide results or outputs from the service:

"This Web site is funded in whole or in part through a grant from the Office of Juvenile Justice and Delinquency Prevention, Office of Justice Programs, U.S. Department of Justice. Neither the U.S. Department of Justice nor any of its components operate, control, are responsible for, or necessarily endorse, this Web site (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)."

The full text of the foregoing statement must be clearly visible on the home page. On other pages, the statement may be included through a link, entitled "Notice of Federal Funding and Federal Disclaimer," to the full text of the statement.

39. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

40. The recipient shall submit semiannual performance reports. Performance reports shall be submitted within 30 days after the end of the reporting periods, which are June 30 and December 31, for the life of the award. These reports will be submitted to the Office of Justice Programs, on-line through the Internet at <https://justgrants.usdoj.gov>

41. Withholding of funds: Disclosure of pending applications

The recipient may not obligate, expend, or draw down any award funds until: (1) it has provided to the grant manager for this OJP award either an "applicant disclosure of pending applications" for federal funding or a specific affirmative statement that no such pending applications (whether direct or indirect) exist, in accordance with the detailed instructions in the program solicitation, (2) OJP has completed its review of the information provided and of any supplemental information it may request, (3) the recipient has made any adjustments to the award that OJP may require to prevent or eliminate any inappropriate duplication of funding (e.g., budget modification, project scope adjustment), (4) if appropriate adjustments to a discretionary award cannot be made, the recipient has agreed in writing to any necessary reduction of the award amount in any amount sufficient to prevent duplication (as determined by OJP), and (5) an Award Condition Modification (ACM) has been issued to remove this condition.

42. The recipient may not obligate, expend, or draw down any award funds for indirect costs, unless and until either -- (1) the recipient submits to OJP a current, federally-approved indirect cost rate agreement, or (2) the recipient determines that it is eligible under the Part 200 Uniform Requirements to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and advises OJP in writing of both its eligibility and its election.

The financial review of the budget for this award is pending. If the OJP Office of the Chief Financial Officer (OCFO) determines as part of its financial review that the recipient already has submitted the documentation concerning indirect costs described above, this condition will be released through a Grant Award Condition Modification (ACM) upon completion of the OCFO final budget review.

If the OJP OCFO instead determines as part of its financial review that the recipient has not yet submitted the required documentation concerning indirect costs, this condition will not be released until OJP (including its OCFO) receives and reviews a satisfactory submission.

APPENDIX B – PROJECT DESCRIPTION

The National Recreation and Park Association (NRPA) seeks to build the capacity of park and recreation (P&R) agencies to develop, implement, and deliver evidence-based mentoring programs that increase youth academic performance and prevent, reduce, and address juvenile delinquency and other problem behaviors among at-risk youth in under-resourced communities through out-of-school time (OST) programs in local P&R. NRPA will build upon the success of our Mentoring in Parks and Rec Initiative, currently operating in 10 states, to expand youth mentoring services into a minimum of 10 new states while integrating two core focus areas: 1) OST Programming: the proposed approach leverages the power of P&R as safe OST settings for youth to participate in extracurricular activities that foster positive youth development; and 2) Diversity, Equity, and Inclusion (DEI): intentionally advancing DEI by targeting racially diverse and historically marginalized communities while increasing the ability of P&R professionals, mentoring/program staff, and mentors to apply DEI core competencies in mentorship programs.

NRPA will provide funding and capacity building assistance to up to 20 local P&R agencies to leverage NRPA's Youth Mentoring Framework to develop and expand evidence-based OST mentorship programs that center youth developmental assets. Through NRPA's request for proposal process, NRPA will engage a diverse cohort of P&R agencies to provide mentoring services to youth disproportionately at risk or high risk for juvenile delinquency, victimization, and juvenile justice system involvement, and/or who have less access to quality mentoring services, specifically Black, Hispanic, American Indian and Alaska Native youth; LGBTQ+ youth; and youth from low-income communities. P&R agencies will establish one-on-one and group mentoring opportunities, plus implement family engagement activities to improve social, emotional, academic, and behavioral outcomes and reduce risk factors for juvenile delinquency.

Each grantee will serve an average of 350 youth, including 50 youth through one-on-one mentoring and 300 through group mentoring, for a total of 7,000 youth served through this project. NRPA will recruit and train 1,200 adult mentors (including OST teachers/counselors/coaches) to provide evidence-based mentoring services. NRPA will support grantees' implementation of family engagement activities to reach at least 5,000 family members.

The cohort of P&R subgrantees will participate in NRPA's Equity in Practice Fellowship program to build core competencies in DEI for application into their mentorship programs. NRPA will create additional resources for applying DEI in mentoring programs, and for family engagement, and program resources will be disseminated to 1,500 P&R professionals nationwide to support expansion of mentoring programs in additional communities.

City Council
Agenda Report

DATE: July 11, 2023
TO: Honorable Mayor and City Councilmembers
FROM: Vince DiMaggio, Assistant City Manager
SUBJECT: A Report on the Availability of Public Restrooms for Transit Passengers at the El Cajon Trolley Stations

RECOMMENDATION:

Staff recommends that the City Council receives the report and provides appropriate direction to staff.

BACKGROUND:

As part of the 2023 Council Action Plan, staff was directed to present an analysis regarding the availability of restrooms to transit riders. This report analyzes restroom availability at the El Cajon transit stops and compares them to our closest neighboring stops in La Mesa and Santee.

Exhibit A shows MTS trolley stations with and without restrooms for transit riders. Both Santee and La Mesa have trolley stops that include restroom facilities for transit riders. El Cajon has three trolley stops (Gillespie Field, Arnelle, and Marshall), but none have standalone restrooms specifically for the riding public. However, the Marshall stop, has a convenience store on the trolley property that, by rental agreement with MTS, allows the trolley/transit riders to use its restroom facilities, effectively functioning as a de facto transit restroom facility.

Despite the availability of a restroom for use by transit riders at this stop, there is no signage at the station or on the outside of the convenience store building notifying the riding public of the availability of restroom facilities. Additionally, riders wishing to use the restroom inside the A-Mart convenience store must first obtain a token that operates a turnstile leading to the restrooms. This process is cumbersome at best and can potentially lead to missed connections for riders.

Issues such as location, cost, maintenance, and safety may be factors that are limiting or prohibiting MTS from developing its own dedicated restroom facilities for the riding public. However, given that El Cajon has three stops on the trolley system, and our neighboring cities of Santee and La Mesa each have at least one stop with restroom facilities for riders, it seems only logical and practical that MTS seeks solutions for this most basic of needs.

The City is limited in its options on the issue as MTS owns and controls the trolley station sites. However, the City Council can direct staff to send a letter to MTS asking that they begin a process in the near future that would result in permanent restroom facilities for transit riders. This is especially important in light of MTS's expansion of the El Cajon site with an additional

track, as well as their emphasis on redeveloping sites in the trolley system to accommodate housing and thus increasing traffic and usage of the trolley stations. Finally, it should be noted any effort undertaken by MTS in response to a City Council request to provide permanent restroom facilities for transit riders at the El Cajon stations is likely to take several years.

CALIFORNIA ENVIRONMENTAL QUALITY ACT:

The action being considered by the City Council is exempt from the California Environmental Quality Act (CEQA) because it is not a “project” under Section 15378(b)(5) of CEQA Guidelines. The action involves an organizational or administrative activity of government that will not result in a direct or indirect physical change in the environment.
