	<i>Description: Behind Home Depot on Coogan Way. When I take RV out of storage for permitted street parking need to park behind Home Depot on Coogan way so can walk back and forth from work to RV to work and work on RV in between. For example, some finishing touches on inside before we finish everything and hit the road to travel. Home is too far. Just better if I can take close to work with me. Cant work on it in storage. Not allowed. Only storage allowed. So now I'm in this situation because I didn't know you need a permit to park on public street to get RV ready to travel. Not at Home Depot. Behind Home Depot on public street. That's the entitlement that in the agreement I signed as to claim. I don't own the property so had to claim under third reason. So I signed as claiming entitlement. And I guess legal right.</i>
