<p><i>Description: Thank you for submitting Appl-2024-8881 for "3 HOUSES AND 1 ADU" at 1470 Marline. Unfortunately, the plans cannot be accepted for full review at this time. Please see the following:</i></p> <ul style="list-style-type: none"> <i>- The elevations for the proposed single-family dwellings (SFDs) do not meet the transparency requirements outlined in Municipal Code section 17.140.170(E)(2). Specifically, the east, north and west elevations appear to be slightly below the minimum 10% transparency requirement, and the south elevation is significantly under the 20% threshold. Additionally, although the same layout is used for the SFDs, please note that the SFD with a different orientation (unit #2) will need to demonstrate that the street-facing elevation meets the 20% transparency threshold. Please revise the elevations accordingly and provide a table under each elevation listing the required and provided transparency for clarity.</i> <i>- The south elevation of the ADU does not meet the transparency requirements outlined in Municipal Code section 17.140.170(E)(2). Please revise this elevation accordingly and provide a table under each of the ADU elevations listing the required and provided transparency for clarity.</i> <i>- The SFD closest to the street does not comply with Municipal Code section 17.140.170(F)(1) or (2). Please revise the floor plan accordingly.</i> <i>- Please ensure that appropriate Fire access is provided to all proposed units. Fire apparatus access width shall be a minimum of 20 feet, per Fire Access Roads – Appendix D. Additionally, Section 503.1.1 provides the requirements for Fire Department Access Roads, and all Fire Department Access Roads must extend to within 150' of all portions of the exterior walls. Label the length and width of the proposed driveway on the plans. If you have any questions regarding California Fire Code requirements, please reach out to Fire Inspector Frankie Rodriquez at frodriguez@heartlandfire.org.</i> <i>- Please be advised Fire Sprinklers are required in all newly constructed dwellings including those built with an accessory dwelling unit.</i> <i>- Please ensure that all proposed parking spaces and drive aisles comply with Chapter 17.185. Label the stall dimensions and demonstrate that at least 24 feet of unobstructed back up maneuvering space has been provided.</i> <p><i>The current application will be closed. When a revised submittal is available, please re-apply through www.elcajon.gov/PACO. If you have any questions, please feel free to contact me directly at sbeltran@elcajon.gov or 619-441-1782.</i></p> <p><i>Respectfully,</i> <i>Sable Beltran - Assistant Planner</i></p>

	<i>Description: Good afternoon, my name is Christian Valdez. I am a member of the Board of Directors for Casa Granada HOA at 267 S Mollison Ave. I am requesting this permit on behalf of the entire complex (15 units). The proposal I will submit outlines the work required to: 1) Remove all stucco that is present in the south side wall of the complex, as well as re-stucco of the entire wall with appropriate water-proofing and patching, and 2) Install 30 windows and 15 patio doors with new construction frame. All proposed work is due to water leakage that affected various units because of damage to the water proofing in the stucco. These leaks also led to damage to the construction frame in the windows/sliding door. This proposal aims to resolve all issues that are currently affecting the entire complex. All work proposed is located on the south side wall of the complex.</i>

	<i>Description: Thank you for submitting Appl-2024-8690 for the following scope of work at 204 Vista del Escuela: "Proposed 800 sf Detached ADU (Manufactured Home) & 800 sf Secondary Dwelling Unit per SB9 (Manufactured Home)". Unfortunately, the plans cannot be accepted for full review at this time. Please see the following:</i>						
	<ul style="list-style-type: none"> <i>The bay window shown on the floor plan of the second primary dwelling unit is not shown on the site plan. Please include this on the site plan to demonstrate that the southerly wall plane provides the required architectural relief or projection.</i> <i>The second primary dwelling unit does not comply with the transparency requirements in municipal code section 17.140.170(E)(2). Please review this section carefully as two of the elevations face a public street. The "rear elevation" does not meet the 10% minimum transparency requirement; the "front elevation" does not meet the 20% minimum requirement (I assume this faces the street, however "front" and "rear" are unclear labels). The "left" and "right" elevation labeling is also unclear, and the "right elevation" does not meet the 10% minimum. If the "left elevation" is facing the street, transparency must be increased to 20% minimum.</i> <i>The second primary dwelling unit is subject to the design standards in municipal code section 17.140.170(E)(3). You may address this in your revised plans, or comments can be provided during plan check to address this at a later time.</i> 						
	<i>Pursuant to municipal code section 17.140.170.H, you may also request a deviation from the design standards in this section via an administrative zoning permit.</i>						
	<i>The current application will be closed. When revised plans are available, please apply through www.elcajon.gov/PACO. If you have any questions, please let me know. You can reach me at 619-441-1782 or sbeltran@elcajon.gov.</i>

<p><i>Description: Thank you for submitting Appl-2024-9014 for the following scope of work: "Apply for SB-9 two houses and ADU building permit." Unfortunately, the plans cannot be accepted for full review at this time. Please see the following:</i></p> <ul style="list-style-type: none"> <i>- Please revise the property lines to align with the legal description, particularly the southwest corner as this is not rounded.</i> <i>- Ensure the scope of work is clearly described on the plans. It should clearly specify that the existing primary dwelling will be converted to an ADU. Please provide a floor plan for this unit.</i> <i>- The proposed new 1200 square foot ADU does not observe the required rear yard setback. Pursuant to municipal code section 17.140.180(E)(2), detached ADUs shall conform with the requirements of the underlying zone, and because the proposed unit exceeds 20' in height it may not observe the reduced rear and side yard setbacks. Please relocate the ADU to observe the required 15' rear yard setback, or demonstrate that the structure does not exceed 20' in height in the required setback area. Represent all stairs, decks, and covered patios on the site plan.</i> <i>- The proposed new 1200 square foot ADU does not comply with the single-family dwelling procedures outlined in municipal code section 17.140.170, particularly subsections (E)(2), (3), and (6). Please revise the floor plans and elevations to comply.</i> <i>- The proposed attached SB 9 units do not comply with the single-family dwelling procedures outlined in municipal code section 17.140.170, particularly subsections (E)(3), and (6). Please revise the floor plans and elevations to comply.</i> <p><i>The current application will be closed. When a revised submittal is available, please re-apply through www.elcajon.gov/PACO. Please contact me directly with any questions at 619-441-1782 or sbeltran@elcajon.gov.</i></p> <p><i>Sable Beltran</i> <i>Assistant Planner</i></p>
